They are known for combining influences of progressive rock and classical music, as well as their virtuoso instrumental performances. Biography Squintorium was formed by Jan Skrzek (guitars, keyboards), Robert Wiśniowski (guitars, vocals, keyboards), Piotr Ociepka (drums) and Krzysztof Urbański (bass, keyboards, vocals). The four musicians had met at the music college in Gorzów Wielkopolski (their hometown). They are also known as the frontmen of the Polish progressive rock band Painted Picture (formed in 1983), which they left in 1987. In 1989 they moved to Zielona Góra, and released their first and only album, Oxygen, later the same year. After some years of inactivity, the band got back together in 1995 and has been active ever since. Squintorium plays progressive rock, with influences of classical music. In terms of style, the band combines technical virtuosity with more emotional and simple compositions. Skrzek (electric guitars, keyboards), Ociepka (drums) and Urbański (bass, keyboards, vocals) are the main instrumentalists of the band. Skrzek, Wiśniowski and Ociepka had been also members of the alternative rock band Imperia. Discography 1988 - Oxygen External links Squint 2d92ce491b
