I'd prefer it to be and I'm not sure what the mod .Asymmetric allylation catalyzed by a chiral derivative of 2,2'-bis(diphenylphosphino)pyridine: scope and application to the enantioselective synthesis of N-butenyl amine derivatives. [reaction: see text] The reaction of (R)-DHPE-IP with allyl halide (1.2 equiv) in benzene at 95 degrees C leads to an excellent enantioselectivity up to 94% for the allylation of beta-substituted allylic alcohols with preference to the alpha,beta-unsaturated aldehydes. The chiral arylpyridine derivative efficiently catalyzes the allylation of electron-rich aromatic aldehydes with allyl halide under mild conditions. The present methodology offers a simple and convenient route to various N-butenyl arylamine derivatives in good to excellent yields.Q: Creating websites in NopCommerce version 5.0 I have been having a look around the documentation, as well as the NuGet packages but I can't seem to find any information on creating websites in NopCommerce. Can anyone help me, or point me in the right direction? Thanks.  
A: NopCommerce 5 is a different one from previous version, and doesn't have website functionality. You can create a new project to use NopEngine, but it's not a solution you'll use for a website. a successful combat operation in the Amazonian rainforest. According to García, the indigenous leader Alex Vaca Arias was killed. The Peruvian military denied the allegation. Suspension of campaign On May 15, 2018, the newspaper El Comercio reported that García's campaign had been suspended on May 5, 2018, about two weeks before his scheduled election day. The article suggested that this was due to a suspicious ecological damage during the campaign. Resignation from party On May 30,
