Our Royal Parks are so much more than a historic museum of the past, they are places where you can imagine the future. “I am delighted that as part of our 10th anniversary celebrations we have introduced a new £1 ‘Crown for the Country’ ticket. It enables people to spend a day in a different landscape and national park every year and I hope the Crown for the Country card will be a much-loved, much-used initiative.” THE PEATHS (9) “Our Crown for the Country initiative is a great opportunity to try something new. “We are always looking for new ways to reach out to people, so I’m really excited to hear what people think. “I think it will be popular with everyone, especially families with children. “At one of our 10th anniversary events, I’m planning to share a day with groups of children at one of our national parks – and I think that’s a real vision for our Crown for the Country card. “There will be lots of fun things for children to do, as well as a good day out for the adults.” The Crown for the Country Card, which is available in year-round, is being launched at Tredegar House and Gardens, in Newport, South Wales, on 22nd September. The card costs £1 for the year and allows people to choose one day at a national park or site each year. Registered charity number 1074973. Charity No. CHY 99023 The Crown for the Country campaign is supported by Thomas Telford
