I tried to do a findstr, using the /g flag as in findstr /g "^[0-9].*$" C:\Users\computer_user\Desktop\software\wps-pro-3.4.0.zip but this returns the following output. File list: C:\Users\computer_user\Desktop\software\wps-pro-3.4.0.zip Version number: 3.4.0 MD5: a7e57f2bba0f2825a3fd5737a7c9c4c7 SHA1: 60c8cd957981ae08ca716ef74c7acb8b7fcdf8e9 SHA256: 628ad9a098fac6bf9bff5d255b675b3bdccb45d17dc10c37e8dfd52ca2f0dda1 ZIP: a7e57f2bba0f2825a3fd5737a7c9c4c7 What I want is to just have the version number returned, without all the other stuff. I have also tried using the below, but the line isn't recognized. findstr /g "^[0-9].*$" C:\Users\computer_user\Desktop\software\wps-pro-3.4.0.zip Any suggestions on how to do this? A: The regex is wrong. You need to add.* after the version number like so: findstr /g /C:"^[0-9].*$" C:\Users\computer_user\Desktop\software\wps-pro-3.4.0.zip So all you need to do is remove the unnecessary square brackets and replace.* with.*\. Also, since you are using the DOS command-line utility, use /c: or /C: instead of /g to do a case-sensitive search. Automotive body frame components are often die-cast and are suitable for forming components that are relatively thin and flexible, such as door beams, hood struts and reinforcing plates. These automotive body frame components are typically manufactured and supplied in either right hand or left hand configurations. For a right hand frame, the required connecting component extends from

Newbies can crack & decrypt software with this tool. Many times crack files are more than a few kilobytes in size. Once we have cracked. 10-Nov-2014 Hi all, Thanks to BLAST on Forum, i found a nice site with some cracks and keys for illegal software. Many thanks. /* * Copyright (C) 2017 Twitter, Inc. * * Licensed under the Apache License, Version 2.0 (the "License"); * you may not use this file except in compliance with the License. * You may obtain a copy of the License at * * * * Unless required by applicable law or agreed to in writing, software * distributed under the License is distributed on an "AS IS" BASIS, * WITHOUT WARRANTIES OR CONDITIONS OF ANY KIND, either express or implied. * See the License for the specific language governing permissions and * limitations under the License. * */ /** This header is private to the Twitter Kit SDK and not exposed for public consumption.
