Unfortunately, because of the licensing restrictions associated with our hosting, the box must be supplied with a valid full retail license key that is purchased from VMware, Inc. Although you can supply a new activated license key to allow you to use the software, we recommend doing so online from the site of your VMware account. It's important to note that this disk is not compatible with running VMware ESXi from the CD or USB media—you need to have a physical ISO to use ESXi 5.5 from the media.
