February 13, 2011 | My focus in this blog is on the role of the minor leaguers in major league baseball. Mostly, I look at what they bring to the major league teams they play for. However, I had to chuckle when I saw this article about current Cincinnati Reds prospect, and minor league RBI leader, Chris Dickerson, who was asked what he did on his day off. The article really needs to give him a little more credit, because as much of a workout guy as Dickerson is, the work he 09e8f5149f
